City Building Permits

Energy efficiency projects may require city building permits. Prior to beginning work, contact the City of Lompoc Building Division at 805-875-8220.

Upon signing this agreement, customer acknowledges the following:

City of Lompoc (City) reserves the right to inspect completed work and installed energy efficient upgrade(s). Rebate(s) will be paid only on work that meets City specifications. Customer certifies that they are familiar with, and agree to, the standards regarding this program. City disclaims any warranty, whether expressed or implied, for any materials or labor associated with installation, maintenance, repair, or any energy savings associated with use. City will not accept any liability resulting from participation in this program. This rebate offer may be changed or discontinued at any time by City. **Rebate(s) less than \$750 will be applied as a credit to the customer's City of Lompoc utility account. Rebate amounts over \$750 will first be applied to any past due balance on the customer's account. A check will be issued for the remaining rebate balance and will be mailed to the account mailing address on record.**

I understand the above and certify that I am a customer of City, that the energy efficient upgrade(s) are installed and operating at the location indicated and that this address is within City service territory.
