Appliance Recycling: Refrigerators or Freezers (7.75 cu. ft. or greater standard size only; compact units are not eligible) may be recycled at the City of Lompoc (City) Landfill. A disposal receipt from the landfill is required. The City will take the old appliance to the landfill at no cost. Application must be submitted first to schedule an appliance pickup. Call the City of Lompoc Conservation Division at 805-875-8252 to schedule a bulky item pickup. Allow up to 3 weeks for removal. Place the appliance out where your regular refuse is placed before 7:00 am on the scheduled pickup day. To be hauled away, all doors must be sealed with duct tape and appliances must be empty. Appliances may also be recycled through the retailer. Confirmation must be documented on the receipt as recycled.

Upon signing this agreement, the customer acknowledges the following:

The City of Lompoc (City) reserves the right to inspect completed work and installed product(s). Rebate(s) will be paid only for work that meets the City specifications. Customer certifies that they are familiar with, and agree to, the standards regarding this program. The City disclaims any warranty, whether expressed or implied, for any materials or labor associated with installation, maintenance, repair, or any energy savings associated with use. The City will not accept any liability resulting from participation in this program. This rebate offer may be changed or discontinued at any time by the City. **Rebate will be issued as a credit to the customer's City of Lompoc utility account. If the customer's City of Lompoc utility account has an outstanding balance, the rebate will be applied to the account balance.**

I understand the above and certify that I am a customer of the City, that the product(s) are installed and operating at the location indicated and that this address is within the City service territory.
